

KAREN ANN GRÉPIN, PH.D.

KGREPIN@WLU.CA

ACADEMIC APPOINTMENTS

| | |
|----------------------------------------------------------------------------------------------|-----------|
| Associate Professor, School of Public Health, University of Hong Kong | 2020- |
| The Canada Research Chair in Global Health Policy and Evaluation | 2017-2019 |
| Associate Professor, Department of Health Sciences, Wilfrid Laurier University, Waterloo, ON | 2016-2019 |
| Associate Professor, School of International Policy and Governance, Waterloo, ON | 2016-2019 |
| Assistant Professor, Robert F. Wagner Graduate School, New York University, New York, NY | 2009-2016 |

ACADEMIC AFFILIATIONS

| | |
|-------------------------------------------------------------------------------------------|-----------|
| Adjunct Associate Professor, Public Health and Health Systems, University of Waterloo | 2016- |
| Adjunct Associate Professor, School of Public Health, University of Hong Kong, | 2018-2019 |
| Associated Faculty Member, Balsillie School of International Affairs | 2016-2019 |
| Adjunct Associate Professor, Geography & Environmental Management, University of Waterloo | 2017-2019 |
| Visiting Fellow, Center for Global Development, Washington, DC | 2014-2016 |
| Faculty Associate, AidData Research Consortium, College of William and Mary | 2013-2016 |
| Faculty Associate, Global Institute for Public Health, New York University | 2014-2016 |

EDUCATION

| | | |
|-------------|-----------------------------------------------------------------------|-----------|
| B.Sc. | Wilfrid Laurier University, Computer Science (Data Science) | 2017- |
| Ph.D. | Harvard University, Health Policy (Economics) | 2004-2009 |
| S.M. | Harvard School of Public Health (Health Policy & Management) | 2002-2004 |
| Certificate | Tuck School of Business at Dartmouth College, Business Bridge Program | 2000 |
| B.Sc. | McGill University, Interdepartmental Honors Immunology | 1996-2000 |

AWARDS

| | |
|---------------------------------------------------------------------------------------------|------------|
| Wilfrid Laurier University, Faculty of Science, Travel Award | 2018-2019 |
| Wilfrid Laurier University, Merit Award | 2016-2017 |
| Global Institute of Public Health Teaching Award | 2014-2015 |
| Professor of the Year, NYU-Wagner Teaching Award | 2009-2010 |
| Harvard University Associates in Canada Scholarship, Committee on General Scholarships | 2002-2009 |
| Weatherhead Center for International Affairs Graduate Student Associate, Harvard University | 2007-2009 |
| Graduate Fellowship for Research in Ghana, Government Department, Harvard University | 2008-2009 |
| Doctoral Award, Social Sciences and Humanities Research Council of Canada | 2005-2008 |
| Graduate School of Arts and Science Summer Travel Award, Harvard University | 2007 |
| Summer Travel Award, American Statistical Association Annual Conference | 2007 |
| Derek Bok Certificate in Teaching, Harvard University | 2005, 2006 |
| Charles F. Wilensky Award, Harvard School of Public Health Graduation Award | 2004 |
| Peter D.C. Thomas Scholarship, Harvard University Committee on General Scholarships | 2002-2004 |
| Scarlet Key Society, McGill University | 2000 |
| J.W. McConnell Scholarship, McGill University | 1996-2000 |

PROFESSIONAL EXPERIENCE

| | |
|----------------------------------------------------------------------|-----------|
| World Health Organization, Consultant, Phnom Penh, Cambodia | 2019 |
| PSI, Quantitative Research and Evaluation Consultant, Washington, DC | 2019-2020 |

Updated: March 9, 2020

| | |
|------------------------------------------------------------------------------------------|------------|
| PSI, Principal-Investigator, Washington, DC | 2016-2018 |
| Global Financing Facility, Consultant, Washington, DC | 2016-2017 |
| UNICEF, Health Systems Strengthening Research Advisor, New York, NY | 2015-2016 |
| World Bank, Consultant, Private Health Sector and Health, Washington, DC | 2014-2015 |
| Global Health Team Leader, AidData Research Consortium, Williamsburg, VA | 2013-2014 |
| World Bank, Consultant, Gender and Development Group, Washington, DC | 2012-2013 |
| External Evaluation of <i>Saving Mothers, Giving Life</i> , Senior Faculty, New York, NY | 2012-2013 |
| Save the Children, Data Consultant, London, UK | 2010-2012 |
| World Bank, Health Sector Corruption Fieldwork Consultant, Addis Ababa, Ethiopia | 2009 |
| National Bureau of Economic Research, Research Assistant, Cambridge, MA | 2006-2009 |
| Economics Reference Group, UNAIDS/World Bank, Consultant, Washington, DC | 2008 |
| Intern, Center for Democratic Development, Accra, Ghana | 2008-2009 |
| Social Insight, Research Assistant, Portland, ME | 2005, 2007 |
| Roll-Back Malaria/Royal Tropical Institute/World Bank, Rapporteur, Amsterdam | 2007 |
| African Program on Onchocerciasis Control, Consultant, Ouagadougou, Burkina Faso | 2006-2007 |
| The International Trachoma Initiative, Consultant, New York, NY | 2003-2007 |
| The Bill and Melinda Gates Foundation, Consultant, Seattle, WA | 2004 |
| The Global Fund to fight AIDS, Tuberculosis, and Malaria, Intern, Geneva, Switzerland | 2003 |
| McKinsey & Company, Business Analyst, Montréal, Canada | 2000-2001 |

RESEARCH GRANTS AWARDED

| | |
|-----------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| \$500,000 | “Understanding non-compliance with the International Health Regulations (2005): Recommended strategies to inform and strengthen global coordination of the COVID-19 outbreak response,” CIHR, Co-Investigator, with Kelley Lee (Simon Fraser University), Adam Kamradt-Scott (University of Sydney), and Catherine Worsnop (University of Maryland), 2020-2022. |
| \$16,500 | “Identifying barriers to the use of sub-national health systems data in Zambia,” CIHR Planning and Dissemination grant, Principal Investigator, with Craig James (Waterloo) and Vic Neufeld (retired), 2018-2019. |
| \$360,000 | “Integrating routine health information into the response to Ebola in the DRC and generating lessons for future public health crises”, IDRC/CIHR/SSHRC, Rapid Research Fund for Ebola Virus Outbreaks, Principal Investigator, with Serge Mayaka (University of Kinshasa), 2018-2010. |
| \$20,000 | “The role of international actors in affordable diagnostic technology in low- and middle-income countries”, CIHR- IPPH, Global Health Planning Grant, co-Investigator, with Sue Horton (Waterloo) and Craig James (Waterloo), 2018-19. |
| €250,000 | “Future of Health Care Systems”, AXA Research Fund Award, 2016-19 |
| \$100,000 | “Developing a New Health Framework for the Equitable Access Initiative,” the Global Fund on behalf of the Equitable Access Initiative, co-Investigator, with John-Arne Røttingen, Trygve Ottersen, Charles Cliff, Ole Frithjof Norheim, and Klara Henderson, 2015-16. |
| \$70,000 | “Using SMS data to Improve Ebola Models and Estimate the Impact of Ebola on Healthcare Seeking Behavior in Liberia”, IGC, Principal Investigator, with Rumi Chunara, 2015-16. |
| \$25,000 | “Analysis of fund flows for health policy and systems research (HPSR) relevant to low and middle-income countries (LMICs)”, WHO, Principal Investigator, 2014-15. |
| \$5,000 | “Health in Brazil, Russia, India, China (BRIC): TEE for collaborative learning,” NYU Curricular Development Grant, co-Principal Investigator with Victor Rodwin. |
| \$200,000 | “Empowering m-citizens to strengthen maternal, newborn and child health in Uganda with U-Report and mTrac”, IWG Catalytic Grant, UN Foundation and mHealth Alliance, Principal Investigator, with UNICEF-Uganda, Innovations for Poverty Action-Uganda, William Jack and James Habyarimana, 2014-2016. |

| | |
|-------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Undisclosed | “Saving Mothers, Giving Life External Evaluation”, Merck for Mothers, Co-Investigator, with Margaret Kruk, Sandro Galea, and Miriam Rabkin, 2012-2013. |
| \$43,950 | “Using mobile money to promote maternal health”, Georgetown Global Health Initiative, Co-Principal Investigator, with William Jack and James Habyariamana, 2013-2014. |
| \$1,130,000 | “Evaluating the impact of the Community Based Environmental Health Promotion Program in Rwanda”, Bill and Melinda Gates Foundation, Co-Investigator, with James Habyarimana, Sophie Boisson, Thomas Clasen, Jeanine Umuesi Condo, William Jack, Isaac Ntahobakulira, and Innovations for Poverty Action, 2012-2015. |
| \$150,000 | “The impact of mobile phones and micro savings on health savings behavior in Kenya”, Innovations for Poverty Action’s Microsavings and Payments Innovation Initiative, Co-Principal Investigator, with William Jack, James Habyarimana, Tavneet Suri, and Changamka, 2012-13. |
| \$250,000 | “Saving at Birth in Kenya”, Saving Lives at Birth, Grand Challenges Canada, Co-Principal Investigator, with William Jack, James Habyarimana, and Changamka, 2012-13. |
| \$5,000 | “Health, environmental, and development policy in Ghana”, NYU Curricular Development Challenge Fund, Co-Principal Investigator, with Maria Damon, 2010-2011. |
| \$10,460 | “The Politics of Recent Health Reforms in Ghana”, NYU-Wagner Faculty Challenge Fund, Principal Investigator, 2010-2011. |
| \$14,700 | Global Public Health Faculty Challenge Grant Award, Principal Investigator, New York University, 2009-2011. |
